25X1X

No aircraft were observed at Bautzen-Litten airfield between 27 June and 3 July 1953. Three jet planes landed at the field in the early morning on 3 July and took off again at 7 a.m. After 30 June, no grading work was observed in the northeastern section or in the northwestern corner of the field. In early July, work was only under way in the southwestern corner of the field.

25X1A

[Redacted] Comment. The status or occupation of Bautzen-Litten airfield has not changed since the second half of June 1953. From early June to 16 June, MiG-15s of a regiment from Grossenhain were stationed at the field.
